

Kurti Measurement Chart or Churidar Measurement Chart

Refer to the body measurement charts below if you manufacture Kurti/ Kurta/ Churidar/ Kameez or a Long Gown in bulk. However, if you are tailoring it for a client, we highly recommend precise measurements according to the specifications outlined below. While the chart offers industry-standard guidelines, it's essential to recognize that each individual's body type is unique. To ensure a perfect fit, taking explicit measurements is crucial. In this blog post, we've also provided instructions on how to measure kurti size for cutting and stitching.
